Comment 1. Please add “case report” as one of the key words too regarding checklist 2.

Reply 1: we have modified our text as advised.

Changes in the text: Page 2, line 36

Comment 2: Please mention in the introduction that this case is reported in accordance with CARE GUIDELINE.

Reply 2: we have modified our text as advised.

Changes in the text: Page 3, line 44,45

Comment 3: Please provide more detailed information regarding checklist 5c

Reply 3: We provide more detailed information about the patient’s medical, family, and psychosocial history including relevant genetic information

Changes in the text: Page 3, line 49,50

Comment 4: Please draw a timeline regarding checklist 7

Reply 4: we have drawn a timeline as a submitted file

Changes in the text: Figure 4

Comment 5: Please provide information regarding checklist 9b in detail including dosage.

Reply 5: we have modified our text as advised.

Changes in the text: Page 3, line 63,64; Page 4, line 87,88

Comment 6: I suggest authors use one separate paragraph to discuss the strengths and limitations regarding checklist 11a. Such paragraph shall then be very logical with numbers of strengths and limitations listed in order, making the case more attractive and persuasive.

Reply 6: we have modified our text as advised.

Changes in the text: Page 6-7, line 129-135

Comment 7: One last concern. In the timeline, extend the time till now 2020.6.

Though it is presented that there has been no further progression up to now, the time 2018.9 is too far.

Reply 7: we have updated the timeline provided as an additional file.
